

STUDENT SPONSORHIP

Request for PAGE-Pharsight student sponsorship

The deadline for requesting sponsorship coincides with the deadline for abstract submission: 15 March 2011.

I certify that I have submitted an abstract for a poster or oral presentation for the PAGE meeting, I require hotel accommodation for the meeting and have no other source of funding (e.g. industrial funds, professional societies). My trip is not fully funded by someone else and a substantial amount of my personal funds is required to finance the trip to Athens. I will be in an Msc or PhD program at the time of the PAGE meeting. I understand that waiting to defend my thesis but being otherwise employed in the meantime excludes me from applying for a sponsorship.

I have included a copy of my student ID and a letter from my supervisor.
